CABINETRY BY PALMETTO CABINET STUDIO
ARCHITECT JAMES OGDEN N, AIA

COASTAL *Cool*

CORAL-HUED ACCENTS DEFINE THE SOFAS AND CHAIRS GATHERED NEAR THE FIREPLACE IN THE GREAT ROOM. SOFT SHADES OF BLUE HIGHLIGHT THE CUSTOM PANELING AND COMPLEMENT THE WARM HICKORY FLOORS. A SEPARATE SEATING AREA SEEMS ALMOST NESTLED UNDER A LARGE OAK WITH THE INTRA-COASTAL WATERWAY JUST BEYOND ITS BRANCHES.

OYSTER SHELLS DANGLE FROM THE CUSTOM CHANDELIER THAT CASTS AN INVITING GLOW IN THE DINING ROOM.

GRAND, YET INVITING, THE COFFERED CEILING IN THE FOYER SEEMS TO FLOAT ABOVE THE WROUGHT IRON RAILING. A WHIMSICAL NAUTILUS SHELL HELPS TO CAPTURE A FUN AND CASUAL LOOK TO HELP WELCOME GUESTS.

PERIMETER CABINETS IN TONES OF IVORY FRAME THE LIGHT MOCHA FINISH OF THE KITCHEN ISLAND. A TRAVERTINE BACKSPLASH AND FLOOR KEEP THE LOOK LIGHT AND RELAXED.

MUTED COLORS ARE USED IN THIS GUEST SUITE AND MINGLE WITH THE RATTAN AND PINE FURNISHINGS TO CREATE A COOL, COASTAL AMBIENCE.

THE BROAD BARREL-VOLT CEILING OF THE MASTER BEDROOM IS PAINTED A RICH BLUE AND PARTNERS NICELY WITH SANDY TONES OF THE WALLS AND SILK STRIPED DRAPERY. WITH A TOUCH OF A BUTTON, REMOTE-CONTROL BLACK-OUT SHADES DESCEND FROM BEHIND THE ROMAN VALANCES TO ENSURE A GOOD NIGHT'S SLEEP.

> Nathan Cameron, Owner

At Cameron & Cameron Custom Homes, you will find second generation builders with over 40 years of combined experience. We specialize in custom new homes and remodels with a focus on client relationships. Nathan is actively involved in each project. You will see him on the job site working closely with his staff, the talented master craftsmen and subcontractors who share the vision for creating new homes and renovated living spaces that go above and beyond their clients' expectations.

Multiple Lighthouse Award Winner for Best Overall, Best Kitchen & Best Bath

GENEROUS WINDOWS ENABLE EVERYONE TO ENJOY VIEWS OF THE POOL, DOCK AND BOATS FROM THE COMFORT OF A CUSHY SOFA, SWIVEL CHAIRS AND MAMMOTH OTTOMAN.

CONNECTING THE DINING ROOM WITH THE BREAKFAST NOOK AND KITCHEN, A CURVED, PANELED CEILING MAKES THIS MUCH MORE THAN A BUTLER'S PANTRY!

MARBLE-CHIP MOSAICS ARE USED TO DEPICT AN UNDER-WATER THEME MURAL ON THE OUTSIDE WALL OF THE MASTER BATHROOM SHOWER.

AS A NOD TO A PORTHOLE FOUND ON A SHIP, THE MIRROR ABOVE THE CHEST IN THE ELEVATOR VESTIBULE CONVEYS THE COASTAL THEME OF THE INTERIORS.
